

**TOUCH
ACTIVATED**

Touch Switch E Strip Light ACCESSORY LIGHT

Source One Supply, Inc.

Features & Benefits

- Touch switch activation - simply touch the sensor pad for ON and OFF functions
- Auto shutoff function - automatically shuts off after 5 minutes
- Available in 12", 24", 36" & 48" lengths
- Printed circuit board is protected with polycarbonate extrusion - extremely resistant to moisture, dust and impact
- 3M adhesive mount - easy peel & stick installation

Specifications (per 12" Section)

Operating Voltage:	12Vdc	Connection:	2.5" Wire Leads
Operating Current:	150mA @ 12Vdc	Polarity:	Reverse Voltage Protected
Power Consumption:	2W	Adhesive Mount:	3M Double-Sided VHB Tape
Temperature Range:	-40°C to +65°C	Operation:	Touch ON / OFF
Ingress Protection:	IP68	Auto Shutoff:	5 Minutes ± 15 Seconds
Weight:	0.6oz (16g)
